

UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF LOUISIANA

**ADVISORY TO ATTORNEYS – EMERGENCY NOTIFICATION**

During hurricane season, the Bankruptcy Court will adhere to the following:

The Court will monitor the progress of storms and hurricanes as they near the Gulf of Mexico. When a storm is five (5) days from landfall, the Building Security Committee will meet to determine the appropriate action to be taken. In all likelihood, if New Orleans is within the cone of probability for landfall, the court will close three (3) days prior to a strike. Regular notices to the bar regarding court closures will be posted via this website and through registered e-mail accounts. Because e-mail notification will be our primary means of communication, we urge you to make sure your registered e-mail address is kept current and is available to you both during and after hours.

In the event it is necessary to cancel a motion day, all matters scheduled for hearing will be automatically continued to the next available motion day without further action by the parties.

In the event of an extended closure, the emergency relocation site for this court will be the U.S. Bankruptcy Court for the Middle District of Louisiana.
